GOVERNMENT OF MANIPUR**

## **P R E F A C E**

The current issue of “POPULATION OF MANIPUR (Social Statistical Indicators) 2006” is the third in the series. It presents in a concise form, some social statistical indicators on population of Manipur. The statistical data are presented in 23 tables to serve as a handy source of reference to all data users.

The data, presented are collected from the census publication/papers. In spite of the best efforts to incorporate the latest data, it is not possible to do so in a few cases for want of the required census data.

The co-operation extended by the Census authorities in making available the publications, brought out by them in time is gratefully acknowledged. I should also thank all the offices and staffs of the Directorate of Economics & Statistics, Manipur who are directly or indirectly responsible for bringing out this publication in time in spite of various limitations.

Suggestions for improvement in the quality and coverage in its future issues are most welcome

Imphal, the 7<sup>th</sup> August, 2008
